Riverside Theatres’ Beyond the Square drama workshops moving to:

BURNSIDE GARDENS COMMUNITY CENTRE

3 Blackwood Place, Oatlands

There is some parking in a small car park, but also along the street.

The entrance to the hall is straight ahead, after you turn into the car park.
The room is quite different to the hall in Granville. The colours are different, the feel of the floor is different and it sounds different!
There is a small kitchen area for the tutors to have a break between classes.
The toilets are along the corridor just next to the workshop room.

When you leave you walk out to the car park. Be careful! There are no footpaths.
Watch out for cars.

There is a café next door which sells coffee, sandwiches and other snacks. You may to buy something from the cafe if you want to sit at the café tables.

We hope you enjoy our new drama home!
