

**Pete the Sheep**  
**Teaching Artist Workshops 2021**

What?	Monkey Baa sends a Teaching Artist into some of the local schools in your community approximately 2-4 weeks <b>BEFORE</b> your season of <i>Pete the Sheep</i> .
Workshop:	Join us for a practical and hands on workshop experience that will give students the opportunity to gain a greater understanding of the puppetry techniques that will be used by the performers in <i>Pete the Sheep</i> . Students will be guided by our professional Teaching Artists to explore the characters and themes in the book through voice and movement activities designed to build students' skills and confidence in Drama.
Who?	You can allocate workshops at your discretion to schools that have booked to see the show. Most venues use a 'first in, best dressed' system, but how you manage this engagement opportunity is entirely up to you. Please note that even if your season of <i>Pete the Sheep</i> is on during the weekend or school holidays, you can still offer your workshops to schools that you would like to engage with in the future or that you already have a strong relationship with.
Duration?	There are two workshop lengths: <ul style="list-style-type: none"><li>• Students in Pre-schools and Kindergarten do a <b>45-minute workshop</b>.</li><li>• Students in Years 1-4 do a <b>60-minute workshop</b>.</li></ul>
Cost?	The Teaching Artist program is included in the fee for the purchase of the production. The workshops are offered to the schools at no additional charge.
No. of workshops?	This depends on how many performances you have purchased (as per your original agreement), and will be outlined in this confirmation email from Monkey Baa. <b>Please note that we can only attend a maximum of 2 different schools per day</b> , so please keep this in mind when you are offering workshops to schools.
Capacity?	<b>Workshops are capped at 30 participants per session.</b> This ensures that every student has a safe and valuable experience, and that the teaching artist is not put under duress. <b>Our teaching artist may not proceed with a session if there are more than 30 students in a workshop.</b>
Where?	<b>A Teaching Artist will go into each school to run the workshop.</b> All Monkey Baa Teaching Artists have a Working with Children Check, which can be provided to the school on request. We ask that the school provides a clear workshop space so that the students can move around freely (a school hall, or empty classroom is ideal). A teacher <b>MUST</b> be present for the entire duration of the workshop. You are more than welcome to attend the workshops, however this is not a requirement.

**Please return your completed workshop booking form at least 6 weeks before your scheduled workshop dates.** As we oversee hundreds of workshops for a large number of venues, we really appreciate your co-operation and punctuality throughout this process. Please reply to this email with any up to date contact details for the appropriate staff member that we should be contacting regarding these workshops.
